At Hong Kong Central, switch to the MTR and take red (Tsuen Wan) or blue (Island) line to Admiralty. Change trains at Admiralty to South Island Line and get off at Wong Chuk Hang stop. Use Exit A and Remex Centre is the brown building directly across the road.

ABOUT THE REMEX BUILDING

Each evening, the main door of this building at the corner of Nam Long Shan Road and Heung Yip Road will be shuttered. But if you walk just a few meters around the building along Heung Yip Road you will come to a parking lot entrance which will probably be half-way-shuttered with a door in the shutter. To get in, show the security guard your photo ID and he will register you.
